“Jar of Hearts”
by Christina Perri

Verse 1
Bm                            D
You know I can't take one more step towards you
A                              Em
'Cause all that’s waiting is regret
Bm                               D
And don't you know I'm not your ghost anymore
A                              G
You lost the love I loved the most
Em                 D      A
I learned to live half alive
Em           D             Asus4  A
And now you want me one more time

Chorus
D                     A
Who do you think you are?
Bm
Running 'round leaving scars
G
Collecting a jar of hearts
Gm            D
Tearing love apart
D                     A
You're gonna catch a cold
Bm
From the ice inside your soul
G
Don't come back for me
Gm            D
Who do you think you are?

Verse 2
Bm                            D
I hear you're asking all around
A                              Em
If I am anywhere to be found
Bm                               D
But I have grown too strong
A                              G
To ever fall back in your arms
Em                          D      A
I've learned to live half alive
And now you want me one more time

Chorus

Who do you think you are?

Running 'round leaving scars

Collecting your jar of hearts

And tearing love apart

You're gonna catch a cold

From the ice inside your soul

Don't come back for me

Who do you think you are?

Bridge

It took so long just to feel alright

Remember how to put back the light in my eyes

I wish I had missed the first time that we kissed

'Cause you broke all your promises

And now you're back

You don't get to get me back

Chorus x2

Who do you think you are?

Running 'round leaving scars

Collecting your jar of hearts

And tearing love apart

You're gonna catch a cold
From the ice inside your soul
So don't come back for me
Don't come back at all
Who do you think you are? Running around leaving scars
tearing love apart you’re gonna catch a cold from the ice
inside your soul
Don't come back for me
Who do you think you are?
Who do you think you are?
