### Confronting Racism MN Style

Please mark your calendars and join us virtually  
**TOMORROW,**

Wednesday, January 19; 7:00 - 8:30p CST

Based on receipt of a generous grant from the Fulton Neighborhood Association, the Lake Harriet Site Council is pleased to offer part 3 of a 4-part series of Racial Justice Workshops facilitated by YWCA Minneapolis. This month's workshop, "Confronting Racism MN Style" is designed for those who have a growing understanding of systems of power and privilege and want to acquire skills for interrupting racism wherever they see it. The workshop will provide a space to practice skills to respond to overt racism (socially unacceptable), and covert racism (socially acceptable) within the dominant communication styles of the Midwest.

Please note that this event is open to all, regardless of whether you have a student attending Lake Harriet Schools or reside in the Fulton or Linden Hills neighborhood. That being said, this discussion will take place in an open, no-judgement space. The intent of this discussion is to meet participants where they are; one of YWCA's goals is to "not change minds, but shift perspectives." Please join us for this valuable discussion and consider embracing the chance to engage with others in your school and neighborhood as we learn together. And please invite others in your circle to join you!

Note: This is not a webinar. Participants will be expected to be engaged in large and small group conversations, and are asked to stay for the full 90-minute duration of

### Yearbook Cover Designs

We received SO MANY AMAZING submissions for our 2021-2022 LHCS

YEARBOOK COVER DESIGN contest, it was almost impossible to choose! Thank you to all the talented students who submitted fun and creative designs.

CONGRATS to the winners!

**Liam P.**, grade 4 - FRONT COVER

**Hazel T.**, grade 3 - BACK COVER

We will feature a number of other student designs throughout the inside of the yearbook. All designs will be re-submitted to the PTA for the Dragon Carnival poster design contest in the spring.

### January Garden Challenge: Ice Sculpture Display at LC

Calling all families and teachers! The

Garden Team would love for YOU to help us add some winter interest to the dormant gardens at Lower Campus. Please bring your homemade ice sculptures to school and place them around the main entrance Pollinator Gardens. Ice Sculptures can be as simple as freezing water in empty Tupperware containers or punching balloons. The display will remain all winter long, and we can observe what happens as the weather changes!
