### Carnival Volunteers – We need YOU!

We are so excited to be able to celebrate our DragonFest Carnival with the community after a two year hiatus! We need your help to make it happen. We need all families to consider signing up for a volunteer shift. They are fun, easy and can be before, during or after the carnival. Shifts are created to make sure you will also get a chance to enjoy the carnival with your family. Please help us make the carnival a success.

You can grab your shift [here](#). The earlier you sign up the more variety you will have to choose from.

Many hands make light work! Team work makes the dream work!
