Monthly PTA Meeting Tonight

Our monthly LHCS PTA meeting will be held in the Upper Campus Media Center **tonight from 6:30 - 7:30 PM**. Please join us to hear updates from our principals and learn more about how we support our teachers and school community. If able, please consider joining us in-person. If you can't join us in person, please e-mail LHCSmembership@gmail.com for a Zoom link. Thank you for supporting your PTA.

LHCS Garden Team

Tree Trust is coming to Lake Harriet Community Schools on **May 18th** to host a school-wide Planting Day as part of their "[Learning with Trees](#)" program! Each class at both campuses will be coming outside throughout the day to plant a tree in the schoolyard. Sign up to volunteer [HERE](#).

Weekly Garden Team meet-ups will kickstart on **May 25th**! Come join us every Wednesday (9:00 AM at LC, and 2:00 PM @ UC) to roll up our sleeves and engage in regular garden maintenance together. BYO trowel and garden gloves if you have them.

To learn more about the Garden Team, or join our e-mail list, please contact Emily at lhcsgardenteam@gmail.com. No gardening experience necessary.

GEMS/GISE

Where else can current MPS 4th graders spend two summer days learning how to sail on Bde Maka Ska with the Minnesota Sailing Center, learn 3D printing with Dunwoody College, build catapults, learn or improve their biking skills as they bike around our wonderful city with Engineering the Ride or explore fingerprints and DNA? Our younger students will be SOARing to the heights with rockets and putting their energy to good use during STEM in the Gym. We have an amazing number of courses all designed by MPS teachers to support students' academic, social emotional and physical growth.

Lower Campus Field Day!

By now all of you Lower Campus families should have received an e-mail

introducing you to our Lower Campus annual Field Day sharing information on volunteering for this fun end-of-the-year celebration.

If you did not receive this e-mail, here is a link to the information:

In MS returning classes like photography, the Magic of Claymation, Art by Design, Sonic Pie and new this year Ceramics and Instrumental Music will bring out the artist/musician in every teen. Interested in the environment? Prefer to spend time outside? Expedition Minneapolis is a good fit! Both MS sites will be offering Engineering the Ride (always a favorite) while Olson will have Swimming and Boat Building and Sanford has Skateboard Science where students learn to skateboard while building their own deck. Both sites will be offering a revised GAME ON! Which now includes archery, golfing (Columbia & Hiawatha) and pickleball. We have courses to match every teen's interest. We know that most of our MS enrollment comes from current 5th graders.

Help Wanted: Graphic Design

We're are looking for someone with graphic design skills who may be

612mtb Team Registration Open

612mtb is a mountain bike team that includes riders (non-experienced and experienced) from South Minneapolis high schools (South, Southwest, Roosevelt and Washburn), as well as home school, private and charter school students. Middle schoolers can join too. We start practice together during the summer, and race together during the fall.

Team registration is now open, and will close on June 1. The easiest way to register for the team is to fill out this [New Rider Form](#). You can also click [here](#) for the 2022 season registration announcement, and read more about us at www.612mtb.com - look at the "Join the Team" and "FAQ" tabs.

If mountain biking is for you, we would love to have you join the 612MTB team. Send any questions to 612mtbinfo@gmail.com.
