Important COVID Protocol Update

Effective, Friday, October 15, Minneapolis

Public Schools employees, contractors, volunteers and others working with children must either get vaccinated against COVID-19 or be tested regularly under a mandate unanimously approved by the school board. Volunteers, please be prepared to show your proof of vaccine or negative test upon entering the building. Thank you for keeping our school community safe.

PTA Meeting TONIGHT October 12

Please join us for our monthly PTA meeting on **Tuesday, October 12 at 6:45 PM** in the Upper Campus Media Center (please note the time changed by 15 minutes to allow for the Site Council State of the School Presentation taking place prior to the PTA meeting). All are welcome and we love to see new faces. No PTA membership required. Interested in joining the PTA? [Sign up today](#). Hope to see you there! If you prefer to join us virtually via Zoom please [email lhcsmembership@gmail.com](mailto:lhcsmembership@gmail.com) for a link.

ROOM REPS NEEDED ASAP

We are still in need of room reps for some classes. Being a room rep is a great way to get involved in your child's

class, and get to know the teacher and other parents.

Classroom Harvest Party planning is underway and classes without room reps will not have a volunteer to coordinate classroom parties. There are other fun classroom activities planned throughout the year and your help is needed to make sure all classrooms can participate.

Please consider taking on this role. We will give you all the information you need and the workload can be shared with other classroom parents. Some classrooms just need a co-rep and others don't have anyone signed up at all.

Classes still needing room reps:

Glocker
Christy

Classes still needing co-reps (one person already signed up):

Hollembeak
Carlson
Bruce
Rice
Hallen

Mental Health Awareness Month

October is Mental Health Awareness Month! Oct

10th is World Mental Health Day. It is an invitation to:

- Envision a world where mental health is a priority for all people
- Build awareness and advocate against social stigma
- Ignite the discussion on best practices for promoting mental health in the school, home, and workplace
- Celebrate those who have or are overcoming mental health challenges and
- Empower those who live in silence for fear of being discovered, misunderstood, or deprived of essential care

To learn more about how you can support positive mental health in your family, please read the [MPS District's Mental Health Support Team Newsletter](#)

Fall is Here

Clear out your outgrown kid stuff before winter and support Lake Harriet students! Just schedule

a time for Kid A to pick it all up! [Kid A will be in the neighborhood on several days in October](#) Kid A picks up all your outgrown kid and baby stuff, pays you for the items they resell, and donates the other items to great local non-profit organizations for you. You can choose to donate your proceeds to the PTA, and Kid A will add an extra \$5. [Kid A+](#) has raised more than \$200 and counting for our school!

for another successful Dragon Dash! The PTA would like to recognize our entire community for making this a successful event:

1. **Teachers** - for motivating students and communicating goals and incentives with families - and for making this such a fun two weeks for students.
2. **Students** - for fundraising and running strong every lap of the Dragon Dash.
3. **Parents** - for supporting your students, teachers and PTA in our biggest fundraiser of the year which allows us to fund the many grants that will enhance the student experience at LHCS.

In celebration of surpassing our goal, each class will be awarded a popsicle party! Thank you for supporting your school! Go Dragons!

The PTA would like to collect feedback on how families feel about the Dragon Dash. [Please take a short survey to let us know your thoughts!](#) Your responses can be submitted anonymously.
