

Student Name _____ Period _____

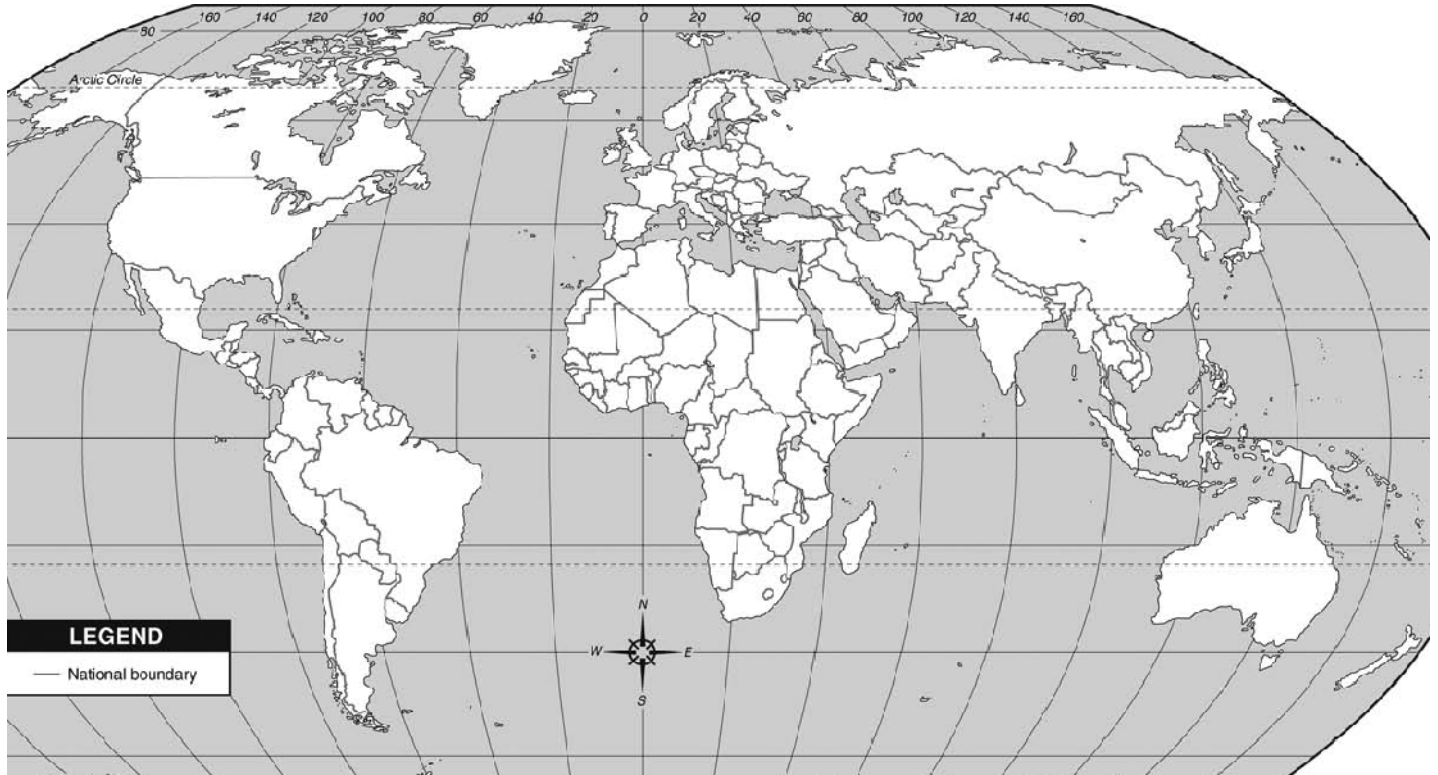

“Geography and History of a Dish” Individual Project

Choose a dish that has at least 8 ingredients and report on it in these pages. See the example at: <http://geoghistfood.weebly.com>

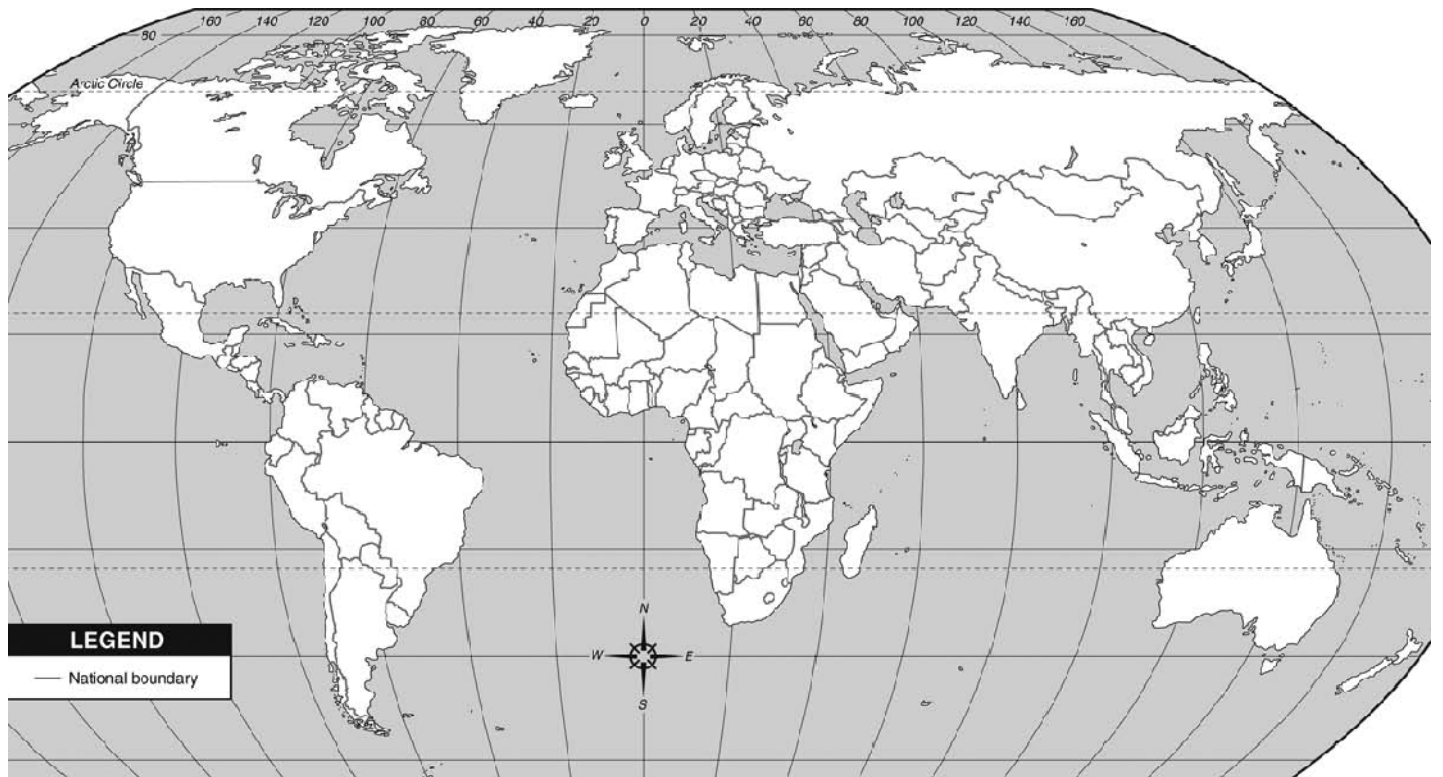

Name of the Dish:

Drawing/Image of this Dish:

Introduction: What is this dish? Describe it and tell why you choose it.

Geography of this Dish: Identify and label the land of the origin of this dish and use arrows to show how the dish has spread through cultural diffusion. Write a paragraph below that explains the dish’s origin and spread.

Geography of Ingredients: List and number each of the ingredients from the recipe, briefly describe the history of each ingredient (1-2 sentences) and then place the each ingredient's number at the place of origin on the map.

Geography of Ingredients (Continued)
