**It was Monday
morning and Pete the
tomato was starting at
his new school called
Lake Harriet Fruit
Academy.**

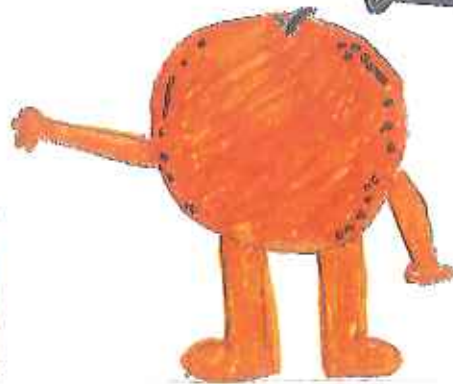

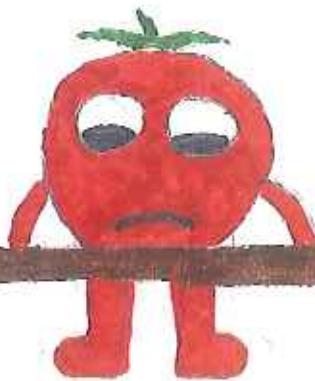

**He said goodbye to his
tomato parents and
left for school.**

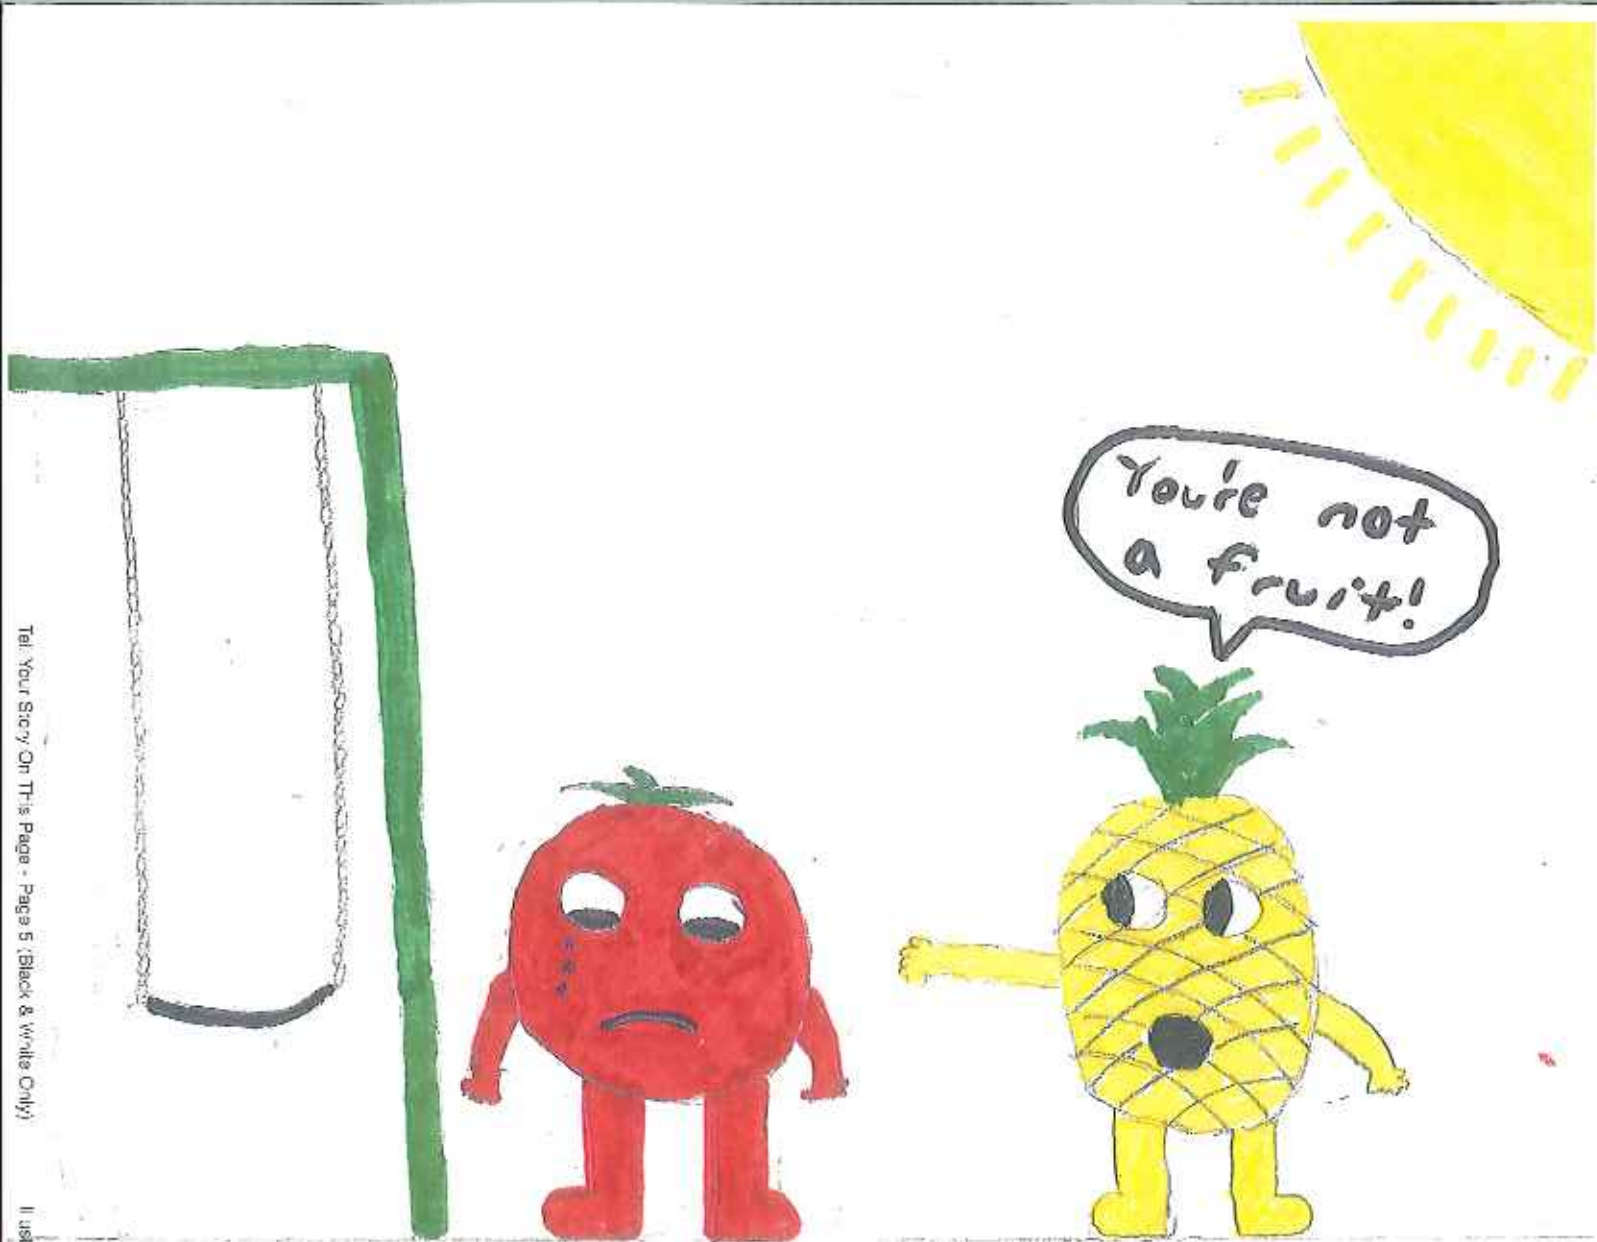

When Pete got there,
he was bullied at his
desk,

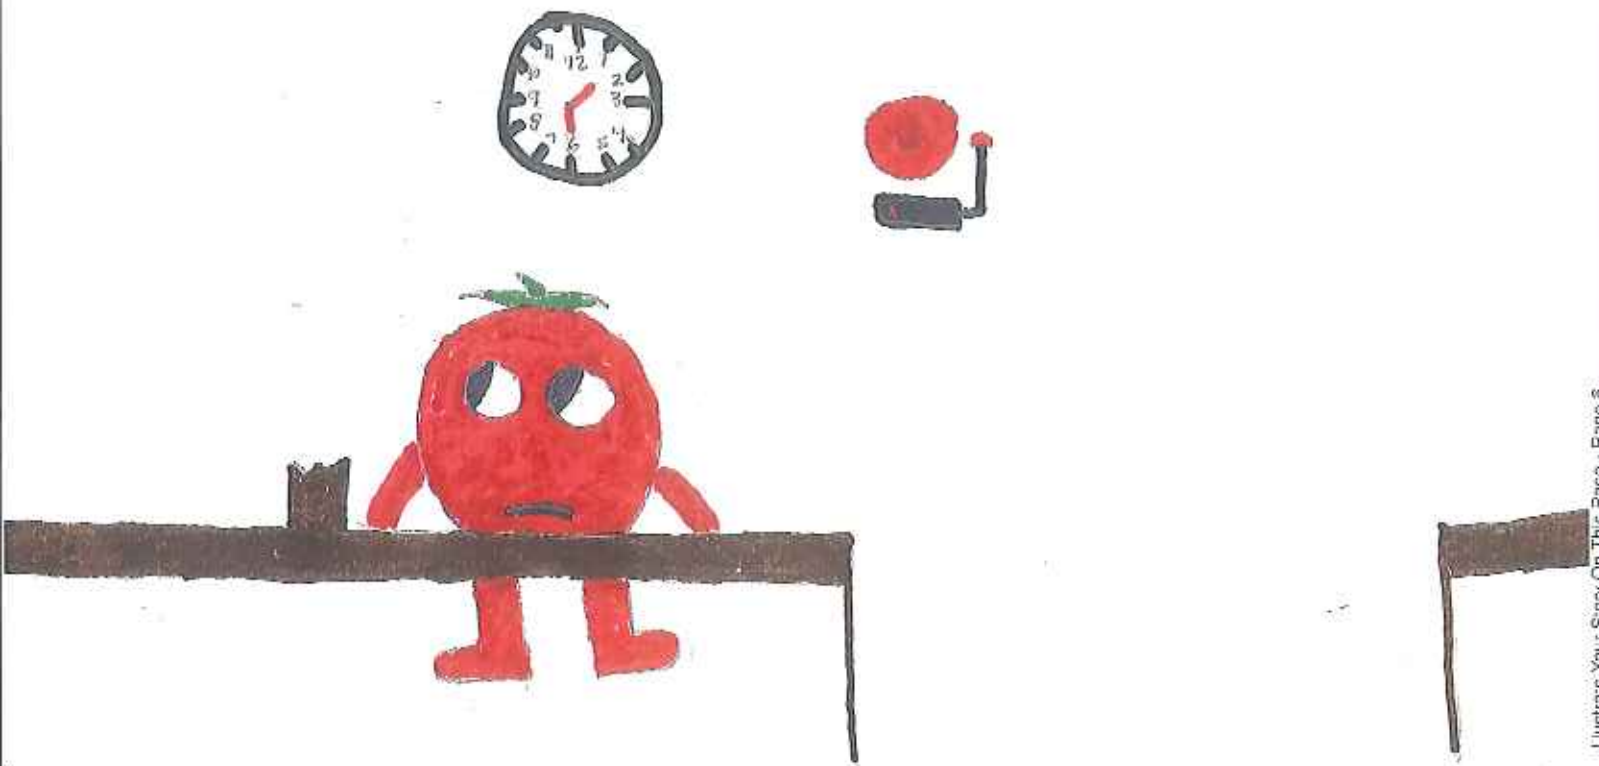

You're
Different!

he was bullied at the
lunch table,

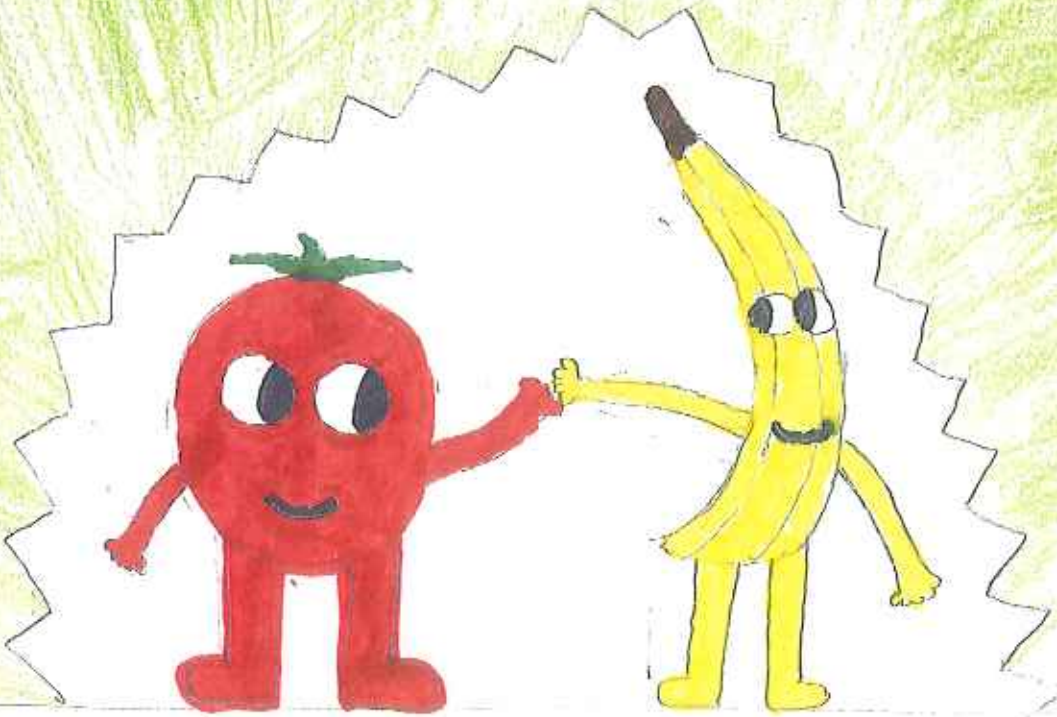

he was even bullied at recess... All because he was different.

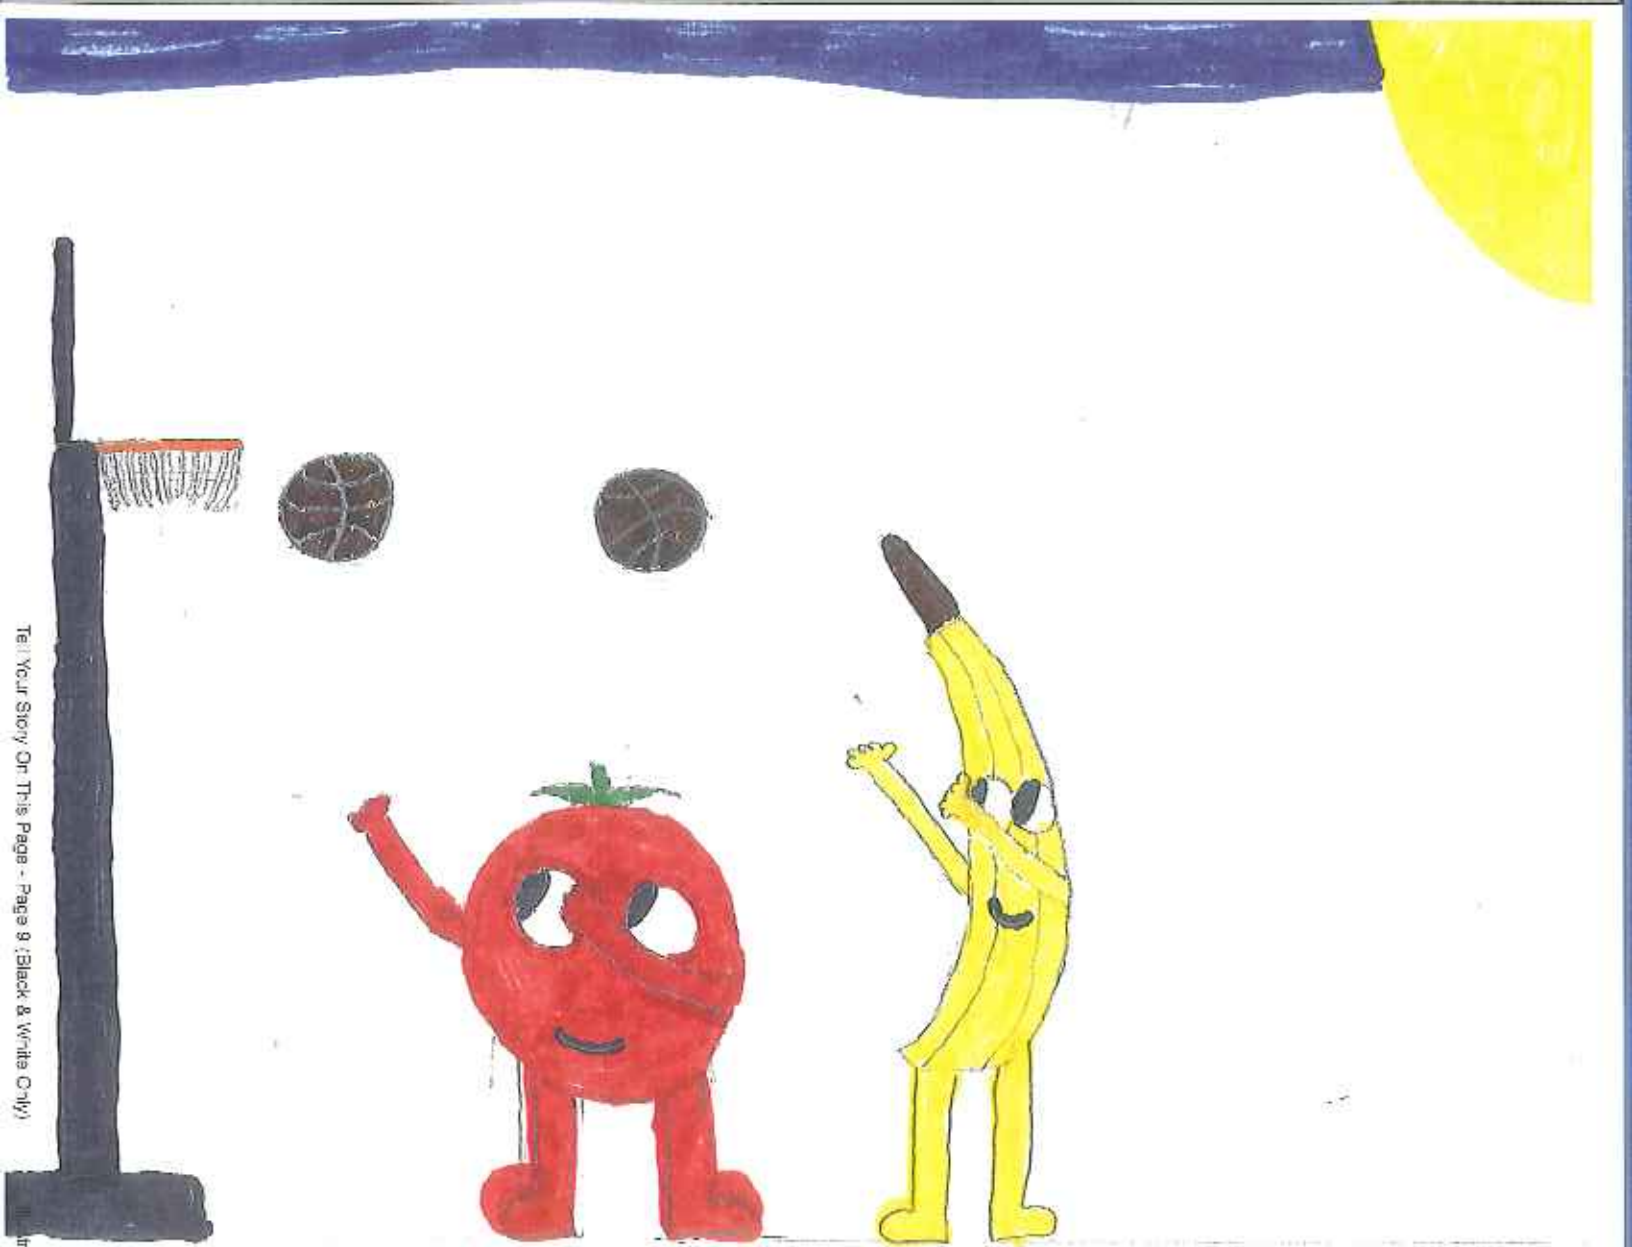

While sitting alone one day at lunch, he heard someone say, "Hi, my name is Ben".

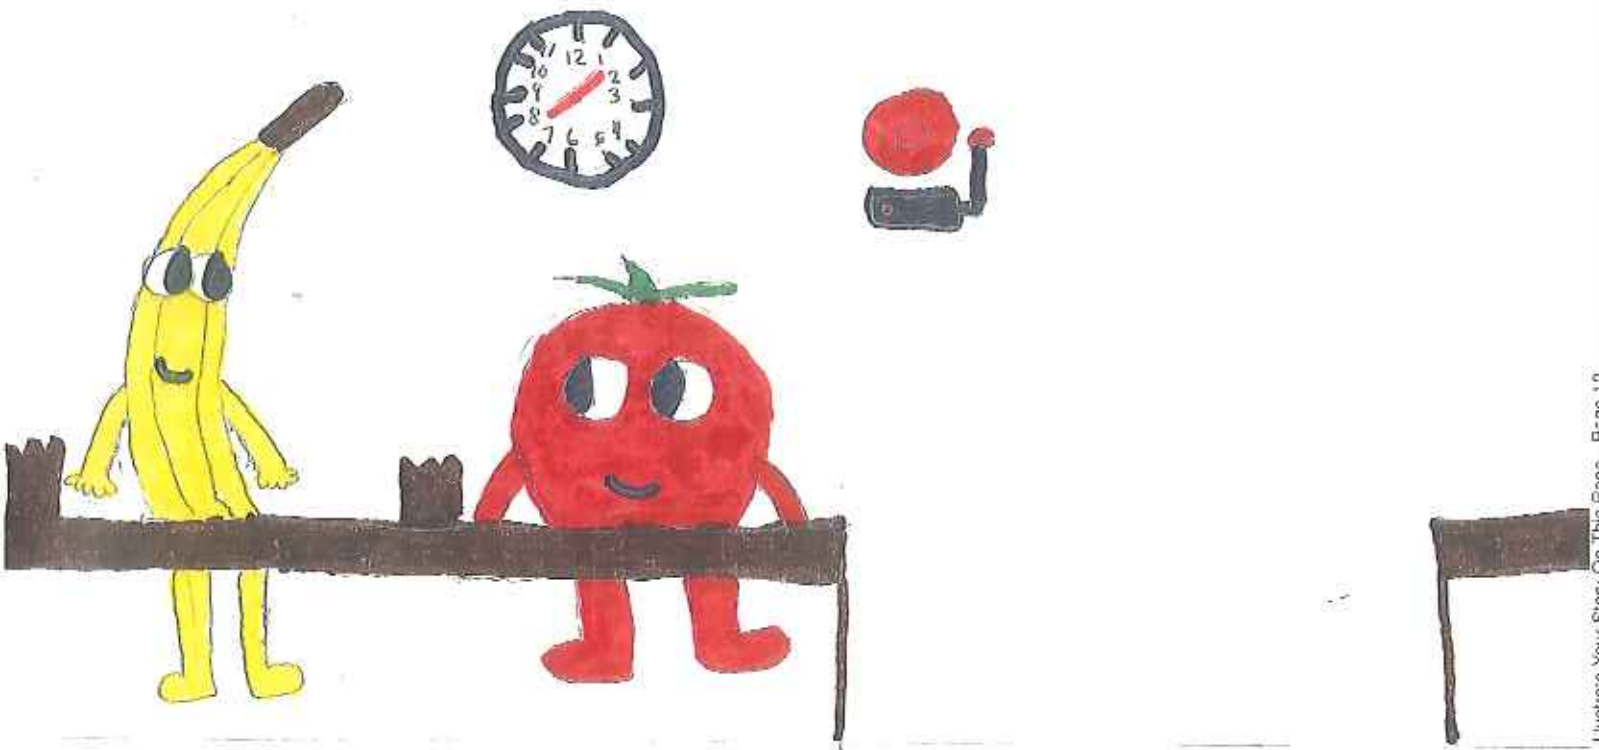

To his surprise Ben the
banana was talking to
him.

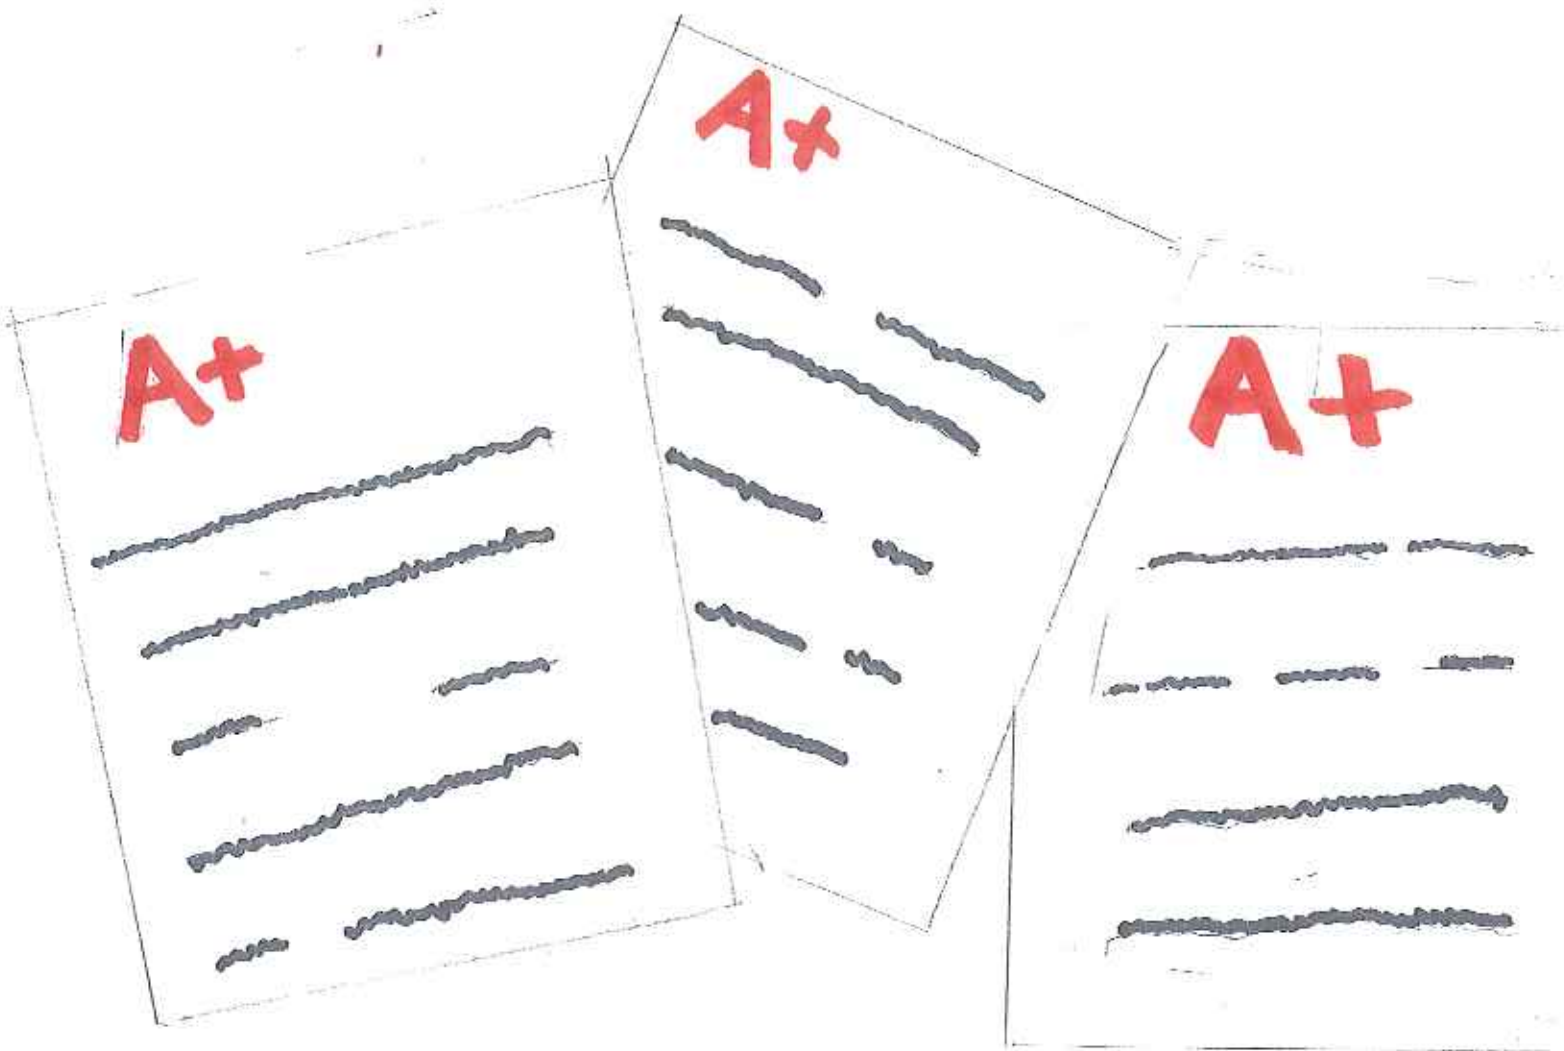

**After that, Ben and
Pete became very good
friends, like two peas
in a pod.**

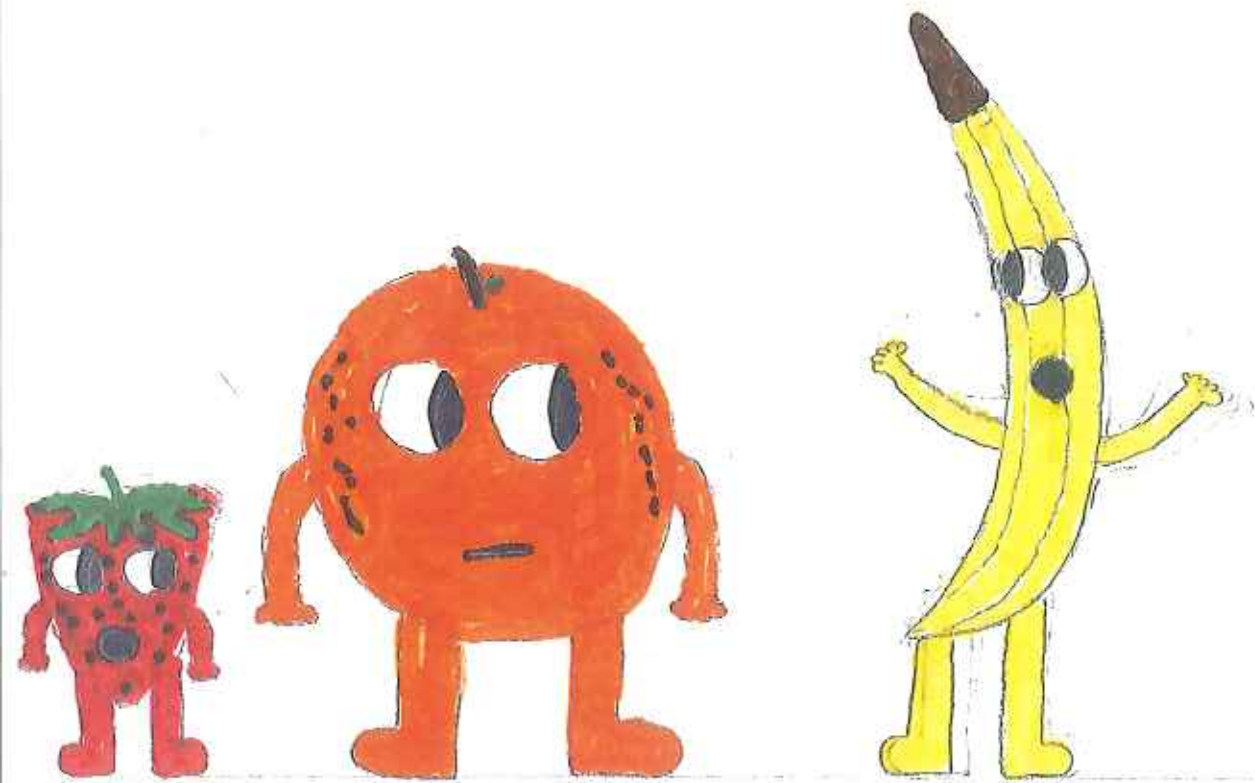

They played together,

they ate together

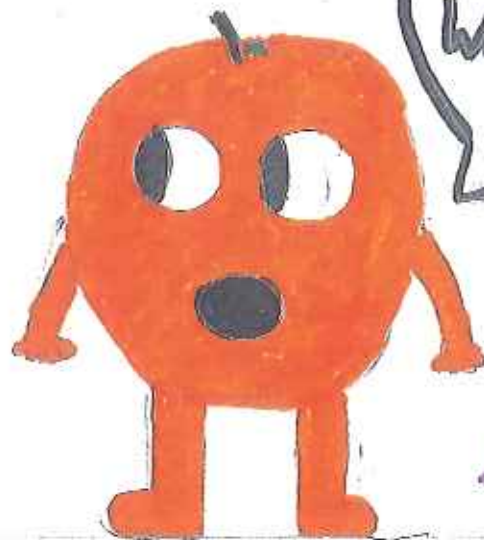

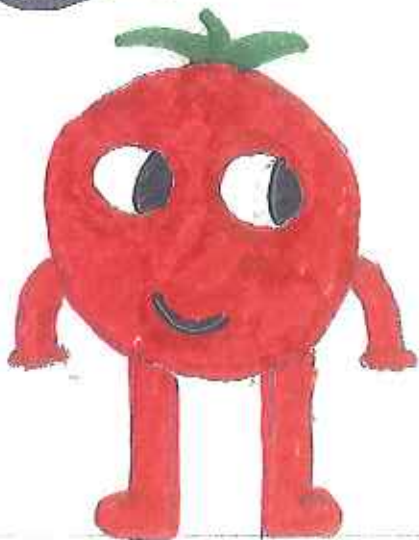

and they also did their
homework together.
Pete was happy.

All of the other fruit
asked Ben why he was
friends with someone
who is different. But
Ben just replied,
“What! Pete is a fruit.”

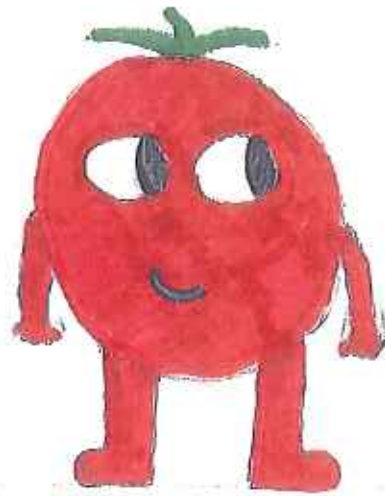

It's Okay!

We're sorry
Pete

After that the other fruit realized they were wrong for treating Pete poorly just because he was different.

**Ben looked passed
Pete's appearance and
thought of him as a
friend. Never judge a
book or a fruit by its
cover.**
