WANTED: Food and Drink Donations

Fall Parent-Teacher Conferences are right around the corner and we need your help! During the evening conferences our teachers don't have much time to grab dinner, so we're bringing it to them. Let's come together as a parent community to provide dinner, snacks and beverages to feed our wonderful teachers at both campuses on Oct. 11 and 16.

Please visit our signup genius pages for [Lower Campus](#) and [Upper Campus](#) to let us know what you're bringing. We've outlined some ideas to make sure we have a good assortment for the busy teachers. We also need tableware and a few volunteers to help setup and clean up – so there's a way for everyone to pitch in. Let's show our teachers how much we appreciate them!

Questions? Contact Renee Maul (Renee.Maul@gmail.com) for Lower Campus and Colette Maclver (macivec@yahoo.com) for Upper Campus.

Thank you for your support!

Flu Shot Clinic

The flu shot clinic will take place again this year during conferences at Upper Campus on October 16 from 3:45 PM - 8:00 PM and at Lower Campus on October 17 from 10:00 AM - 3:00 PM in the Health Office, Room A105.

This is a walk-in clinic (first come, first served) for both adults and children. Please bring your health insurance card if you have it, however if you do not have insurance you may still get the flu shot. We will also have the option of the nasal mist this year, upon request.

If you have questions, please contact our Licensed School Nurse Sarah Thomforde at sarah.thomforde@mplsk12.mn.us

Scholastic Book Fair!

The annual Scholastic Book Fair will be held Monday, October 15 - Tuesday, October 16 from 9 am - 8 pm at both campuses. Stock up on your reads for MEA break! Proceeds benefit both campus media centers. Interested in volunteering for this fun event? Sign up here for either [Lower Campus](#) or [Upper campus](#). Hope to see you there!

outside school as they arrive, walking and biking with their children. A coffee/sampling parent welcome will allow parents to connect with each other, helping to build community and also keep the walking/biking enthusiasm going—two goals of the event. We are also proud of the food we serve the students in our lunchrooms and of our mission—nurturing all students through access to quality food and active living and will enjoy talking about that with your families.

Lunch Applications

Please return the Lunch Applications for Educational Benefits that were sent home with your student earlier this month. There are two good reasons to return the form or submit it on line: one, we do not want to miss any student who may be eligible for this benefit; two, this information is important for our school district to have a full district student profile.

Please note that you can select the "refuse benefit" button in the online application or "do not qualify" box on the paper application. Thank you for your cooperation.
