Basketball

Dribbling down the court, take a quick glance at the clock to see 5.3 seconds left. Suddenly you become a lake, and you start to panic. You start dribbling slower as you approach the basket. Do a quick between the legs stepback, then fire. The backboard turns red to show you that the time has run out. But the ball is still in the air. The ball comes down like a rocket and goes into the hoop, making the "swish" sound we all love.

Goalie

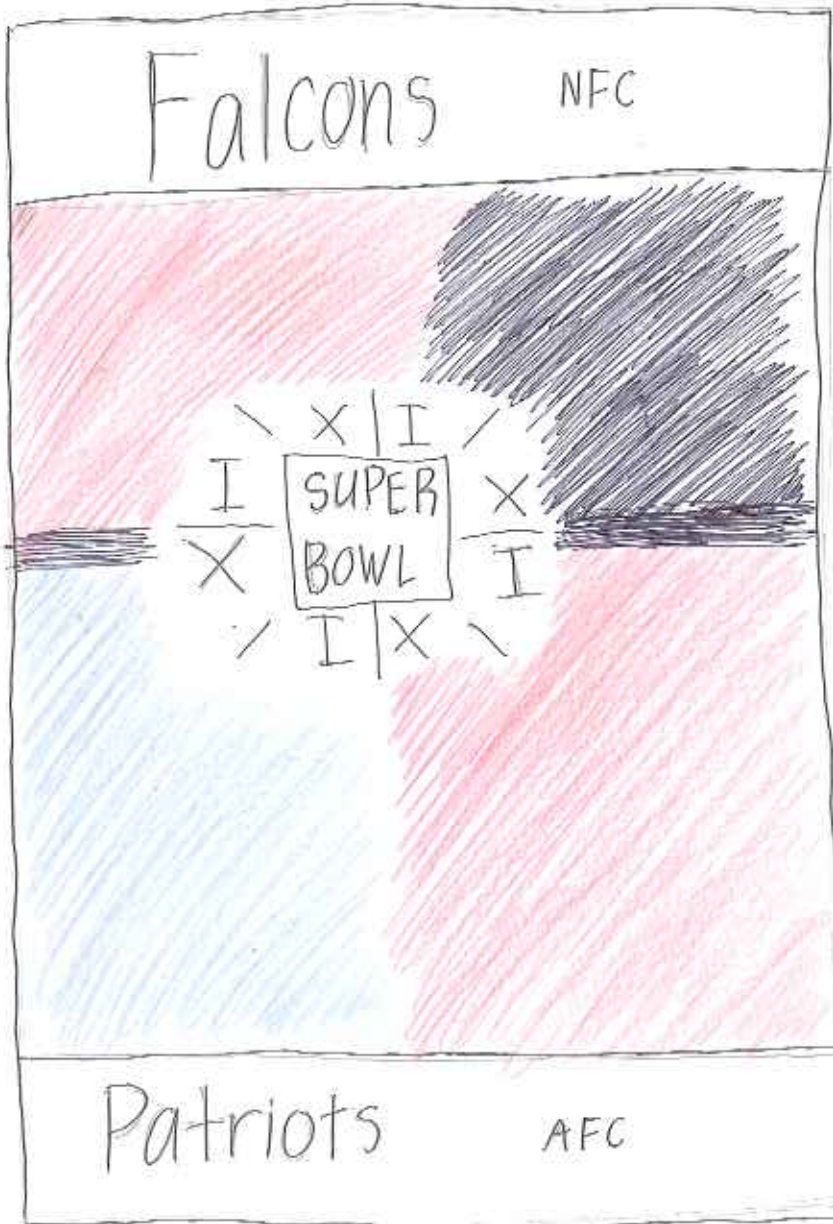

The hardest position to play in soccer is goalie. When the ball is in front of someone's winded up leg all you can think about is which way you are going to go. Right? Left? You have to pick a way sooner or later though. Arms and hands all sweaty, you dive to the far right corner, but the ball flies into the left corner. It's just what a goalie's life is like.

Football

Handing the ball off,
Then you get a lateral
And throw a touchdown.

Super

Bowl LI

Falcons
vs.
Patriots.

Super Bowl 51

Falcons and Patriots, the last two remaining teams in the 2016 NFL season. Playing in Houston on February 5th, there is an obvious favorite, but one team ready for an upset. I'm very excited to see who wins the 51st ring!

Basketball

Running down the court,
between the legs, then pull up
Shoot the ball, then swish.

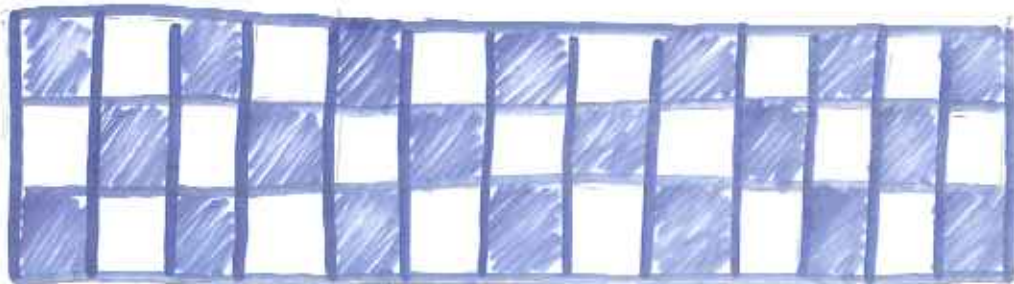

Is

NASCAR

a

sport ?

Nascar

By far the most debateable sport. NASCAR. Is it really a sport? You sit on a cushioned seat and turn a steering wheel. Does it take that much skill? To be a sport it has to be competitive, which it is, but also it has to have contact like with a racket in tennis, or a ball in many other sports. What do you think, is NASCAR a sport or not?

Warriors

Will the Warriors break records again? With 4 of the greatest players ever can they possibly lose? With some of the best 3-point shooters like Steph and Klay, and with some great defenders like Draymond and KD, will they win another ring?
