

May homework project is a

BOOK REPORT!

Each student will present one of his/her favorite books to the class! I will make a list of these books and each student will receive this as a suggested summer reading list!

You will create a poster about a book you enjoyed reading. You will also try to "sell" your book too. How will you get your classmates to read it? You may want to sing a jingle, use a catchy phrase or slogan, make your poster colorful and enticing!

Your poster needs to include:

- A large picture of the book.
- The title of the book
- The author of the book
- Descriptive words (adjectives)
- A minimum of 3 different colors

You may use the poster paper sent home or you can use any board or paper of your choice.

You will have up to 3 minutes to present your "bookfomercial". Tell us why we would want to read this book!

Be as creative as like with your **poster** and your **presentation!** Have some fun with it. Show your creativity.

The poster reports are due

Tuesday, May 29th

Enjoy! I look forward to seeing some very interesting and entertaining presentations. Perhaps you will even persuade me to read your book!

Ms. Jurgens
