

# "Sound and Light Energy" Cover

Using an 8.5" x 11" piece of paper, design a cover for our 3<sup>rd</sup> unit, "Sound and Light Energy."

- Creativity - How can you show what you know about sound and light?  
You can make a collage, color a picture, use paint...What else can you come up with to show what you know?
- Content - Make sure the title, "Sound and Light Energy" appears prominently on your cover.
- Color - Make it eye-catching!
- Your first and last name and hour should be on the cover, too!!!
