Pain

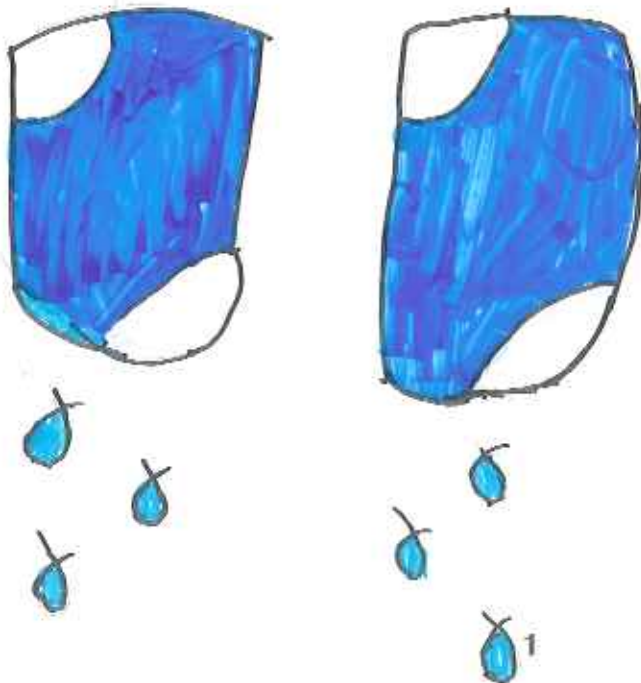

Pain, Pain hurts

Pain is evil.

Pain is the reason, That hurt is a feeling,

People want Pain to go away

So they begin beating it with a hose to find out
What it really means. Then Pain will see
how it feels to be in pain or hurt.

Lies

Lies, lies everyone lies. But some might even die from lying, because it kills you inside to lie to someone you love or even hate. Lying is not all bad sometimes lies are only done for good.

But lies only make things die like the truth. Which is the lies worst enemy. So don't let lies kill the truth.

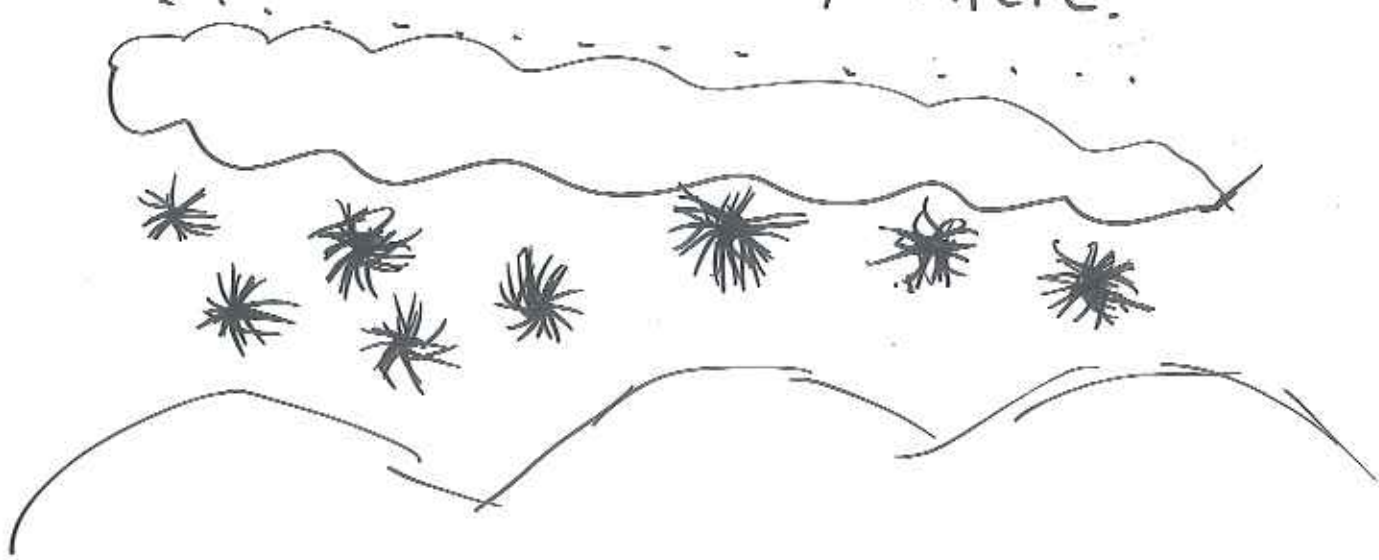

Don't lie!

lies kill
the TRUTH
